

Luong Quoi

Luong Quoi is a leading manufacturer and exporter of premium coconut products. The company has exported its products to more than 50 countries since its establishment in 1997. The company has its own brand "Vietcoco" and offers private label manufacturing.

Luong Quoi sources its fresh and high-quality raw materials from Ben Tre Province. Luong Quoi's products are processed and packaged in its own factory using modern equipment.

Luong Quoi is committed to increase the value of coconut trees and reinvest profits into employees' communities, education and housing.

Luong Quoi's quality control and assurance measures guarantee that expectations of customers are met.
