

Vinasamex

Vinasamex produces and processes star aniseed and cinnamon. Established in 2012, the company has a leading position in the export of these spices to the European market. Organic spices account for 60% of Vinasamex' sales.

Vinasamex sources its raw materials from cooperatives in the Yen Bai and Lang Son Province. The company is dedicated to grow its organic production and promote sustainable trade, to preserve biodiversity and improve livelihoods for people in rural areas.

Vinasamex' products comply with international standards and are processed in modern facilities. Customers from the EU, Northern America and Asia find in Vinasamex a reliable partner.
